

## Work Clearance Procedure “Dismantling / Demolition Work”

**Based on SG standard: SG Standard “External company management, LoTo, Working at heights”**

Work clearance is a document that is part of a safety system used for potentially dangerous work. This system is binding both for staff members and external companies. The clearance describes the work to be performed, where it is to be performed and when, by whom and what precautions are to be taken.

SGSD External Company Coordinator		Coordinator of External Company		
<b>Division</b> _____	<b>Company</b> _____			
<b>Name</b> _____	<b>Name</b> _____
